

Nursery - Rainbow Mountain Class weekly activities – W.C 30.11.20

If there is anything you would like to share please email any photos and updates to the class email address - rainbow@thehillssacademy.co.uk

Environmental print

Investigate different packaging, signs, and logos in the environment either at home, the supermarket or on a walk outside. Encourage them to tell you any that they recognise? Do they understand that the print on the different logos carries meaning? For example, this could be recognising the M and saying “McDonalds”. Do they follow the print from left to right? Can they notice any letters that are in their name?

Number focus - 4

Counting song – 1, 2, buckle my shoe -

http://www.youtube.com/watch?v=NI_Ogfk4f40

Show number 4 numeral and practise counting to 4 - four claps, four pats on the head, four hops, etc. Challenge them to go and find 4 objects such as a pair of shoes, 4 crayons, and 4 pieces of lego. Please see below for attached sheet for further ideas.

Ice experiment

Make ice cubes and place onto a tray or into a glass. Encourage them to think and answer questions such as, what does it feel like? Explain how ice is made by putting water into the freezer and keeping it very cold. What do they think will happen to the ice now it is out of the freezer? Why? Look at what happens to the ice over time and encourage them to think about why the ice melting into water. How could they stop the ice from melting?

Maths: All about the Number Four

Home Learning Challenges

4

Can you see the number 4 written on this page? Can you trace over the numbers at the bottom of the page? You could try writing the number 4 on your own.

Lots of animals have 4 legs. Ask a grown-up to help you find some animal photos on the Internet or in some books. Which animal is your favourite? How many legs does it have? Draw a picture of your favourite four-legged animal. Can you number its legs?

Butterflies have 4 wings – 2 on each side. Draw or paint a picture of a butterfly. Can you use 4 different colours to decorate the wings?

Next week, it is Little Bear's birthday! He will be 4 years old. Can you make him a birthday card or badge? Make sure you write the number 4 on your card or badge! When you go to the shops with a grown-up, see if you can see any birthday cards, badges or balloons that have numbers on them. Can you see the number 4?

Hidden around the page are pictures of 4 clovers. Can you find and colour them? Most clovers have 3 leaves, but some are extra special, lucky clovers have four leaves. Can you find the lucky four-leafed clover?

Squares and rectangles are shapes that have 4 straight sides. Can you draw a picture of a robot using 4 squares and 4 rectangles? You could draw squares for the head, body and eyes, and rectangles for the arms and legs.
