Dear Parents/Carers

Den Building Day – Thursday 16th June 2016

On Thursday 16th June we will be holding a den building day for the charity 'Save the Children' to raise awareness of child homelessness around the world. A 'Save the Children' volunteer will be coming into school to open the den day with an assembly for the children. The cost of the day is £2.50 which includes a donation of £2 to save the children charity, and 50p towards the resources for the activities.

We are asking each child to bring in an item from home to help build their den... e.g blanket, box, pegs or some string. Please make sure your child wears outdoor mufti clothes and sensible shoes as all the activities will be outside.

Thank you

Caroline Starr

We're there when disasters like earthquakes strike, and when children are caught up in conflict in countries like Syria and forced to leave behind everything they have in search of a life where they're not afraid. We give them vital things like food and water, healthcare, protection and education. And we make sure they have a safe place to shelter at night.

No child should miss out on any of these things, but every year, millions do. The money your pupils raise for Den Day could help give more children a safe place to shelter and the things they need to grow up healthy and happy.

It doesn't take much to make a big difference.
